

KNOWLEDGE IS EMPOWERING

OUR SUMMER YOUTH PROGRAM OFFERS A VARIETY OF COURSES AND CLASSES FOR OUR YOUTH. COURSES INCLUDE:

- Math & English
- Leadership & Technology
- Canadian Culture
- Intro to Engineering
- Robotic Programming
- Indigenous Culture Studies

The goal of the academic program is to provide our youth a good education, great friends and the confidence to succeed in all their endeavors.

Improve Communication

WAHKOHTOWIN Strengthening Families Program

Wahkohtowin (pronounced Wah-KOH-toh-win) is a Cree word.

It refers to kinship, or the state of being connected. Our program honors the unique and complex connections between family members, and seeks to strengthen bonds.

WHAT IS THE PROGRAM?

The Strengthening Families Program is based on research that shows it works. It helps families communicate better & have less conflict.

We understand that you are good parents.

The program gives you more skills for raising children in Canada. Bilal's location is for newcomer families or any faith or cultural background. A family is any group of 2 or more people, including 1 youth and 1 adult who is a caregiver.

In this voluntary and no-cost program, the whole family attends every week:

- 14 weeks, 1 class every week
- Each class is 3 hours long
- Each set of classes starts in Spring, Summer, and Winter
- 1 cultural event per session
- Child care for children under 10
- Family meal and snacks
- Bus tickets or a ride may be given in special circumstances
- Graduation Ceremony with Certificates

Strengthen Bonds . Decrease Conflict

WHO CAN ATTEND?

- Must live in Winnipeg
- Must have a lot of communication challenges
- Willing & able to attend 14 weeks of program
- The family must have at least one youth who is 11-17 years old
- Must be able to complete an anonymous survey before and after program
- If a session is full, you may choose to attend another site, or have your name placed on a waitlist
